2011 North Atlanta

Carri Hall (X, P1), Tom Shaw (X,E), Hugh Tatum (P1), Colin Reed (E2)

During the Georgia Circuits the judges listed from left to right above judge all of your images by the rounds system! Round one is judged by using the first three judges listed above , with the 4th person sitting and observing, then in round two the second thru 4th listed judges score and the first listed judge sits and observes, and so forth... Each judge scores three rounds of the 4 sets entered, and sits out for one round. All 4 judges pick the medals together and award the HMs for their own show! This is used due to the size of the Georgia Circuits, and the main reason we are going to a two weekend judging timeline for all the future circuits of Georgia!

If you have comments on this or on the "themes" the circuits use, or suggestions on the themes please feel free to contact us at georgiacircuits@gmail.com
