

**These Are The NORGA Entrants As Of
September 23, 2016.**

Next update will be September 29th.

Currently about 3000+ prints are entered, although not all have arrived as of now! At this time about 220 people have entered, and about 20% of them are new to the NORGA and PSA it seems! This has resulted in a great many new images and styles we've not seen much (or any) of before... The '16 NORGA may be the largest small print exhibition in the "PSA world" if it continues at this rate!

PLEASE – Remember to put your name and titles on your prints, along with the Division, the Section and the 'order' number so we will judge it where you want it to be judged.

The NORGA is closed as of now!
